Jude D. Edelman

Florida State University, Department of Sociology | Bellamy Building, Tallahassee, FL 32306
jde21b@fsu.edu | jd-edelman.github.io/jude-edelman

Education

PhD, Sociology 2025–Present
Florida State University

BS, Psychology (with honors) 2025
Florida State University – *Magna Cum Laude*
Honors Thesis: Does Perceived Harm Depend on the Race of the Agent
Mentored by Dr. David March, FSU

BS, Sociology 2025
Florida State University – *Magna Cum Laude*

Research and Teaching Interests

Social Stratification & Mobility · Critical Theory · Education & Labor · Epistemology · Child Welfare · Rural Studies

Works in Progress

Moss-Pech, C.[†] & **Edelman, J.D.**[†] "College Skill-use and Employment Experiences Four Years after Graduation." *Manuscript in preparation.*

Edelman, J.D., "Fostering Inequality: How Privatization Policy Has Differential Impact Across The Rural and Urban Continuum." Manuscript in preparation for submission to *Research in Social Stratification and Mobility.*

Edelman, J.D., Buggs, S., & Altidor, I.A.[***] "Conservative and Abolitionist Discourse in U.S. Child Welfare Reform." Data analysis phase.

Edelman, J.D., "The Racial Genealogy of Family Policing in The U.S." Manuscript in preparation for submission to *Critical Sociology.*

[†] denotes equal authorship [***] denotes undergraduate mentee

Selected Presentations

Forthcoming

Moss-Pech, C.† & **Edelman, J.D.**† "Skill Use and Care Four Years After College," *American Educational Research Association Annual Meeting*, Toronto, ON, April 14, 2027.

Completed

"Fostering Inequality: How Privatization of the U.S. Foster Care System Impacts Different Groups' Mobility Outcomes," *Association for Interdisciplinary Studies*, Panama City, FL, November 2, 2026.

"Fostering Inequality: How Privatization of the U.S. Foster Care System Impacts Rural and Urban Mobility Outcomes," *Southern Demographic Association*, Austin, TX, October 7, 2026.

"Fostering Inequality: How Privatization of the U.S. Foster Care System Impacts Rural and Urban Mobility Outcomes," *Annual Meeting of the Rural Sociological Society*, Raleigh, NC, August 1, 2026.

Invited Talks

"Same Shock, Different Story: Race and the Social Construction of Pain," *Howard Baker Research Talk*, FSU Department of Psychology, April 25, 2024.

"How Pain Perception is Moderated by Race of the Aggressor," March Labs, FSU (virtual), March 17, 2024.

Funding and Awards

Sara Miller McCune Scholarship for ICPSR	$5,000
Charles B. Nam Fellowship Fund Travel Award (August 2026)	$1,500
FSU Department of Sociology General Foundation Fund Research Grant (November 2026)	$250
FSU Undergraduate Research Mentor Material Grant (November 2026)	$250
FSU Center for Population Health and Demography Travel Grant (October 2026)	$1,500
Association for Interdisciplinary Studies Travel Award (November 2026)	$650
College of Graduate Students Travel Grant	$200
Outstanding Graduate Student Service Award, Departmental Award	2026

Professional Activities and Service

Rural Sociological Society, Member	2026–Present
American Sociological Association, Member	2025–Present
Sociology Graduate Student Union, Working Group Organizer	2025–Present
Graduate Assistants Union, Member	2025–Present
Association for Interdisciplinary Studies, Member	2026–Present
Southern Demographic Association, Member	2026–Present

Research Experience

Research Assistant, March Lab – Threat Perception and Cognition 2021–2025
Florida State University, PI: D. March

Research Assistant, Sub-Saharan Africa Maternal Health Lab 2025–Present
Florida State University, PI: K. Davis

Research Assistant, 2026–Present
Florida State University, PI: C. Moss-Pech

Teaching Experience

Teaching Assistant

Sex and Gender (undergraduate, virtual) Fall 2025, Spring 2026, Summer 2026

Research Methods (undergraduate, virtual) Fall 2026

Methods and Computational Skills

Software	Stata (fluent) · R (proficient) · Python (proficient; pandas, PyTorch, Matplotlib, seaborn) · LaTeX (proficient) · Pandoc
Quant Methods	Generalized linear models (logistic, ordinal, count) · multilevel modeling · survival analysis · complex survey design and weighting · panel and fixed-effects models · propensity score matching · multiple imputation · interaction and moderation analysis · scale construction and reliability
Causal Inference	Inverse probability weintered (fuzzy) regression discontinuity (RDD) · instrumental variables (staggered) difference-in-differences · synthetic control double lasso and machine learning methods
Text as Data	Tokenization · vectorization · TF-IDF and Jaccard similarity · sentiment analysis · k-means clustering · Ward's hierarchical clustering · large language models
Qualitative Methods	Abductive analysis
